Walking Field Trips

During the year, we often go on walking field trips. Sometimes it's around the block and other times we have a specific destination in mind (ex. the beach). We do these walks when weather and time permits, so they are not always planned in advance.

I _____ (parent/guardian name)

DO or **DO NOT** give permission for _____ (child's name) to attend all walking field trips.

Driving Field Trips

Parents will be notified of all field trips involving vehicles. Some field trips will require the parents to drive their child to and from the site of the activity or to arrange carpooling. In this case, the preschool session will begin and end at the site of the field trip. If the preschool is arranging drivers, the parents will be notified which drivers have which children. Drivers should be reminded that medication can have adverse effects on driving ability.

Every reasonable precaution must be taken to ensure the safety of students. This includes making sure the children are properly seated in rear seats only, that seat belts or child restraints are properly used and adjusted, and with only 1 child per seatbelt. Any field trip will have a minimum adult – child ratio of 1 to 2. Any increase in the numbers of parent helpers is up to the discretion of the ECE. The factors affecting the ECE's decision include, but are not limited to: location, type of activity, mode of transportation, ages of children.

All parents driving for school field trips are responsible for ensuring cars are in good repair and have seat belts for the driver and all passengers, are in possession of a valid driver's license, and **must have a minimum of \$1,000,000 liability insurance**, however \$2,000,000 is recommended.

Are you able to supervise? YES NO

Do you have \$1,000,000 or more liability insurance? YES NO

How many children can you have seat belted in your vehicle, **excluding** the front seat? _____

We, the undersigned, have read carefully the Constitution and By-Laws of Sidney Preschool & Childcare and agree to abide by it.

1. When acting as a duty-parent/caregiver, I agree to arrange to arrive 15 minutes before preschool opening and to stay for 15 minutes after preschool dosing. So that both my child and I may get the most out of this very special day, I will not bring any other children to the preschool. If I cannot be present, I will trade duty days with another parent/caregiver and notify the necessary people (eg. ECE, class rep, duty scheduler, etc.)
2. We will make every effort to be **prompt in bringing** and **picking up** our child for preschool and daycare.
3. We will not send our child to school or childcare if the child is ill, nor will we come as duty parents when we are ill. If our child contracts a communicable disease or condition (e.g., chicken pox, head lice, etc.) we will notify the ECE/Supervisor immediately.
4. We understand that, in the school room and on the playground, the ECE has overall responsibility for the program, teaching methods, discipline, and health and safety measures. On a duty day, the parent/caregiver is there as the ECE's assistant.
5. We hereby authorize the ECE to:
 - a. Arrange for periodic examinations by public health personnel;
 - b. Send our child home, if we are unable to pick him/her/them up, accompanied by an adult approved by us;
 - c. In case of serious injury or other medical emergency, to obtain professional help (family doctor and/or ambulance) and notify the parents/caregivers immediately. We agree that any cost incurred for such services shall be the sole responsibility of ourselves. If parents/caregivers cannot be reached contact is then made with the person whose name appears as an alternate on the enrollment form, and emergency form;
 - d. To exercise discretion to ensure the safety and well-being of our child.
6. We will keep the ECE informed of any event or change of routine at home that may affect our child's behavior.
7. If we have questions about our child's progress or the program of the preschool, we will direct them to the ECE; we will direct queries or suggestions about the administration of the preschool to the executive through the President or Personnel Committee.

A form letter from the V.I.C.P.A. is provided to the duty parent/caregiver for the Medical Practitioner's signature. **We may not serve as duty parents in the classroom until this form has been presented to the Enrollment & Orientation officer and kept on file at the preschool.** If the local Medical Health Officer in your community does not require a T.B.
